Kyazoonga.com now gets Sunil Gavaskar to share his columns on Champions Trophy

New Delhi, September 25, 2009 KyaZoonga.com, India's first and largest sports and entertainment ticketing

enhance user experiences.

affiliate revenue

New Delhi, September 12, 2009 :

company has announced its association with cricket legend and expert commentator, Sunil Gavaskar, to bring the Little Master's candid comments, insightful articles and incisive analysis to the online fraternity.

In the online space, Sunil Gavaskar will share his experiences and opinions on the ICC Champions Trophy 2009 exclusively on KyaZoonga. The objective of the program is to engage with Kyazoonga customers as well as cricket enthusiasts from across the world, by bringing relevant content to

Neetu Bhatia, Co-founder, Chairman and CEO, KyaZoonga.com, sees immense potential in the association as it will serve as a platform for cricket enthusiasts visiting KyaZoonga to read expert opinion and share and post their own opinions related to the Champions Trophy, especially when the tournament is seeing its biggest revamp since the inaugural version in 1998. "Sunil's columns are most sought after due to his deep insight into the game and his ability to connect with cricket fans through his writings. The

idea behind this association is to give our growing user base what they are

looking for as cricket season begins and to bring us closer to our

customers", she said. As part of the initiative, Sunil Gavaskar will write for the website through the entire duration of the series analyzing each match and its impact on the tournament. His crisp columns will quickly bring the readers up to date with the happenings of the tournament and give them a fair idea about the performances of each team.

ESPN STAR Sports targeting 60 per cent growth in

ESPN STAR Sports is on an aggressive growth path riding on the array of properties that are lined up for telecast on the network this fiscal. The company has singed a spate of renewals with DEN India on a national basis, InCable in South India, SitiCable in Kolkata and Mumbai, ICC in

Pune, Manthan, Calcom, KCBP and Cablecom in Kolkata, Seven Star in Mumbai, UCN in Nagpur and a host of other affiliates across the country.

Makarand Palekar, Associate Vice President, Affiliate Sales, ESPN Software India Pvt. Ltd, said, "Our golden era is about to take off and we are looking at a minimum of 60 per cent growth in <u>affiliate revenue</u> in the coming fiscal nationally." While he confirmed that almost 50 per cent of the cable operators across

the country have already renewed deals with ESS Makarand was quietly

"We have emerged as the highest investor in the game of cricket globally. We have the broadcast rights of all marquee properties including England &

confident that the rest of the country will also be signed up soon.

Wales Cricket Board, Australia Cricket Board, ICC and now Airtel Champions League T20 in our fold. Riding on this, we are looking at a sizeable growth in our paid subscriber base across India. I am happy to share that all our partners in the affiliate business are appreciative of this and we expect to close out most of the remaining deals within a few days' time," he said.

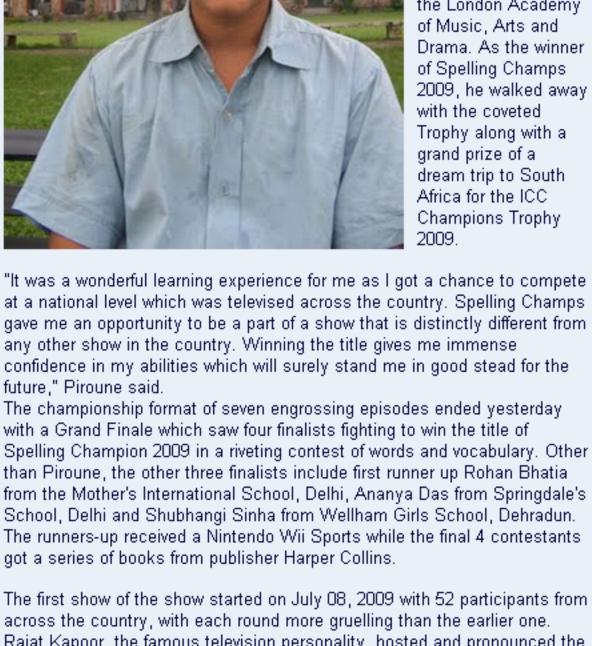

ESPN has recently repositioned itself on air and looks determined to do it on the ground as well. Speaking on the new on-air rebranding initiatives, Makarand said, "The new branding for STAR Sports and the refreshed on-air presentations for each channel brand aim to enthuse and exhilarate sports fans across India and continue our strong and enduring association with them." The coming year will see a slew of blockbusters on ESPN, STAR Sports and STAR Cricket. "The ICC Champions Trophy will see the top 8 cricket." nations fight it out for the coveted title. The tournament starting September 22, 2009 will have 15 matches which will be telecast live. The Airtel Champions League T20 will see 12 domestic T20 champions from 7 test

playing nations play 23 matches for the coveted title of Champion of

Champions. The ICC World T20 to be played in the month of April - May

2010 in the West Indies will have as many as 27 T20 matches. The FIFA World Cup to be played in the month of June -July 2010 will have 32 countries fight it out for the coveted trophy in 64 matches," he said. Overall, the sports bouquet of ESPN, STAR Sports and STAR Cricket will showcase non-stop cricket throughout the year. The bouquet has the rights to showcase as many as 13 Test matches, 38 ODIs and 53 T20 matches from July 2009 to June 2010. In soccer, the sports broadcaster will continue to show coverage from Barclays Premier League and one of the biggest sporting extravaganzas - FIFA World Cup 2010. In Tennis, the coverage will include Australian Open, French Open and Wimbledon. In Golf, the coverage will include the British Open, US Open Golf package and The Augusta Masters. In Motor Sports, ESPN STAR Sports have telecast rights. for Formula One & Moto GP. Sony Ericsson's application submission now open to developers world wide New Delhi, August 06, 2009

http://submit.sonyericsson.com/ is open to all developers. Applications can be submitted to PlayNowT arena as well as to the established

firms in India to submit mobile content and applications.

Starting today, the Sony Ericsson application submission site

application service, Fun & Downloads. Initially, developers for JavaT ME and Symbian OS are invited to become part of this ecosystem, which gives access to an installed base of over 200 million Sony Ericsson phone users. Later this year, the process will also cover additional mobile software platforms. With India emerging as a power house of mobile applications, Sony Ericsson has opened up the Indian developers' way to the world by providing them an opportunity to sell their content and applications to the Global Store. The company recognizes India's great entrepreneurial spirit and is encouraging not only companies but even sole proprietors and partnership

to over 20 countries by end of 2009. "There is huge consumer interest in applications that make communication a more personal and enhanced entertainment experience. We recognise that it needs to be simple and attractive for developers to reach those

consumers and that there need to be established content channels through

PlayNowT arena is currently available in 17 countries and will be accessible.

which to push creative applications. Our new application submission process addresses these needs, giving developers easy-to-use access to the Sony Ericsson PlayNowT arena market place" said Christopher David, Head of Developer and Partner Engagement at Sony Ericsson.
