India Leadership conclave is a major step towards bringing quality events/Conferences under the Banner of India Social Events, an initiative of Wockhardt Foundation. Our objective is to share the success stories of various charitable organizations and help them serving the weak, needy and poor. The money raised from the conclave will be used by Wockhardt Foundation to fund its various initiatives

The resilience displayed by Indian industry in dealing with slowdown, Industry experts point out that, the country's economy is likely to find an upturn by 2010. The present downturn is temporary. Our growth rate is expected to be well over seven percent, notwithstanding that despite downturn in global scenario, India has managed to achieve seven percent growth. This is attributed to domestic consumption and demand. Commending the performance of Indian business and industry during the global downturn, India stood out as a "shining example" of a resilient economy, when the world was engulfed by economic gloom.

**PHILOSOPHIES**

- Service to man is service to God
- We make a living by what we get, we make a life by what we give
- A candle loses nothing when it is used to light another candle
- Where every smile counts
- Wish for others what you wish for yourself
- The poor don't need pity, they need help
- Mankind is one family dependant on God, and the most beloved to God is the one most beneficial to it
- Poverty somewhere is a threat to prosperity elsewhere
- When you help others, you help yourself the most, because God grants you peace and happiness
- A life of giving is the only life worth living
- What you give in charities, comes back to you multiplied many times over
