Fast-growing provider of full suite of web solutions including domain registration, web hosting and web development honoured for rapid growth from a start-up to a leader with operations in several states across India.

Mumbai, Maharashtra, India, Thursday, April 28, 2011 — (Business Wire India)

DotCom Services India Private Limited [www.worldindia.com], a leading provider of end-to-end web solutions in India, has been recognized as 'India's Most Promising IT & Web Solutions Company', at the recently-concluded India Leadership Conclave 2011. The award was received by Mr. Pankaj Jaiswal, Founder, Chairman and Managing Director, DotCom Services. The company provides a full suite of Internet-related services from domain registration and web hosting to design /development of websites and complex web-based applications.

DotCom Services India Private Limited [www.worldindia.com] won the award in its category for growing from a small start-up to a successful web solutions company with thousands of satisfied customers from across India and the globe. Founded 11 years ago with a capital of INR 50,000, Pankaj R. Jaiswal and co-founder Susheel Rao have overseen the development of the organisation into a recognized web services provider in India.

“Right from being the first Premier Partner of Network Solutions in India , we were among the first to provide end-to-end web solutions in the country. We feel proud to have contributed to the current Internet revolution in the country and helping numerous businesses get online,” said Pankaj Jaiswal. “We are indeed honoured and humbled to be chosen for this prestigious award. It is a reflection of the hard work and commitment of our team to deliver high-quality and reliable web solutions matched with top notch customer service. This acknowledgement is more motivation for us to raise the bar of our product and service offerings.

“We are committed to play an even greater role as we help both small and large businesses benefit from the power of the web, while adhering to our core values and strengths of a comprehensive web services portfolio, focus on service quality and customer delight.”

India Leadership Conclave 2011 was organized by Indian Affairs in association with Indo-American Chamber of Commerce (IACC) with the theme of “AAM ADMI (AN ORDINARY INDIAN) – BEYOND ROTI, KAPDA & MAKAN (BEYOND BASIC NECESSITIES)”.More than 300 business tycoons, media magnates, social activists, ministers and policy makers attended the 2nd edition of this prestigious conclave.Over 3 Lacs votes were cast in different segments & the big awards were anxiously awaited as the result was announced by Shri Sanjay Narupam, Member of Parliament & key Member of Indian National Congress. Indian Affairs’ business Leadership Awards recognize the significant accomplishments of individuals and organizations in the global Corporate industries in the areas of different key verticals. These awards have been designed with the broad support and unbiased contributions of industry and academic advisors, a well respected international accounting firm and the production team of Indian Affairs under the supervision of Editor-In-Chief of Indian Affairs Magazine(www.indianaffairs.in).
